

Teva Orders & Account Support

Manage your Teva rewards, view your purchase history, and update your trail preferences dynamically right from your personal dashboard.

Tracking & Managing Your Orders

- **Tracking Progress:** Once your order departs our fulfillment center, a tracking link will be emailed to you and made available under the 'My Orders' section of your account.
- **Order Corrections:** In order to get your gear to the trails quickly, changes to active orders can only be modified within **30 minutes** of submission. Please reach out to customer care immediately for urgent modifications.

Account & Password Help

- **Password Reset:** Select the 'Forgot Password' prompt at checkout or login to receive a secure recovery link via your registered email.
- **Address Management:** Save multiple shipping profiles for seamless transactions during upcoming product drops.
