

Teva Footwear Return Policy

If your new Teva gear isn't ready to hit the road with you, we make returning it simple. Let's get your return started seamlessly.

Teva Return Timeline

- **30 Days:** All returns must be requested and mailed back within 30 days of the delivery tracking confirmation date.

Return Fees & Store Credit Options

- **Standard Return:** A shipping and restocking fee of **\$6.50** will be deducted from your final credit if you choose a refund to your original payment card.
- **Teva Store Credit:** Choose store credit for your return instead, and we will waive the shipping fee entirely.

Standard Return Criteria

- All products must be clean, unworn, and pack clean into their original boxes.
- Please pack the original shoebox inside a dedicated shipping container. Do not tape or paste labels directly onto the Teva shoebox itself, as it compromises the packaging for future use.
